Baptist Missionaries to **SPAIN**

Jan. / Feb. 2020

Dear Pastor and Church family,

Christmas program. God blessed in an amazing way at the Saturday presentation of a Christmas Cantata presented by a sister church from Guadalajara. We had a total of 48 present and 6 first time visitors. On Sunday, our own kids as well as the adult choir presented the Christmas program and God blessed again with an attendance of 43 and 20 of those were visitors! Thank you so much for praying as we planted the seed of the Word in many hearts.

Camp need. We are so happy to report we have received several special offerings for the repair of the building at camp. The initial phase (steel beams) has been completed and now we are studying what to do for the next two phases. Men from several different churches from around Spain came and donated their time and skills so that we could save God's money. Thank you to all who participated (we've also received offerings from friends). If you'd like to help with the next 2 phases, just designate your gift "MCCB Camp repairs".

Battlefield Baptist Church - Pastor Greg Corcoran - Virginia - \$1000.00

Canton Baptist Temple - Pastor Mike Frazier - Ohio - \$250.00

Just last week we had our annual camp planting meeting with 15 pastors and wives present and shared the good news that not only are churches in the U.S. responding with love offerings, but one of the Baptist churches in Spain gave their annual Christmas offering of 1000€ to help with the repair of the building as well.

Health. Joy and I got the New Year off to a crazy start with a nasty virus that left us both out of commission for several days, but praise the Lord, we are both recovered and back to serving the Lord together.

Ladies regional meeting. Nine of our church ladies were able to attend the annual regional ladies meeting at the end of January. It is always a great time of fellowship and of Bible teaching and Joy was thankful to be able to take 5 new ladies for the first time.

Church family growing. God blessed us in the Fall with a new family joining our church who are from Perú (Marcos and Mili) and in February we had another family join (Luis and Mariela) from Venezuela. So thankful to see the church growing and asking the Lord to continue to give us opportunities to witness and make new contacts.

Missionaries to Honduras and Bible Institute. In the month of January we were blessed by the visit of our dear friends, Bryan and Sandy Wise, missionaries to Nicaragua. Our church supports them and it is always a time of rejoicing when the church family get to meet their missionaries face to face. During their visit, Bryan was able to video tape an hour Bible study which I was able to show during our Intensive Bible Institute in February where I taught Personal Evangelism.

Thank you once again for your faithful prayers and support for us and for the ministry here in Madrid. You are making a difference through your love and we are encouraged to see what God is going to do in this new year.
